Date of Order: **April 15, 2019**

Trial Court Case # **4SM-14-00090CR**

In *Beans v. State*, Alaska App. Memorandum Opinion No. 6639 (August 22, 2018), this Court remanded Beans's case to the district court for reassessment of the restitution award. We retained jurisdiction, however, and instructed Beans that if she wished to challenge the district court's amended restitution order, then she had 30 days after that order was issued to file a memorandum explaining her objections. The record shows that the district court certified that the amend restitution order was issued on March 11, 2019; therefore, Beans's deadline for challenging the amended order was April 10, 2019. It is now April 15, 2019. Because Beans has not challenged the district court's amended restitution order, the Clerk of the Appellate Courts is directed to close this appeal.

Entered under the authority of Chief Judge Allard.
